Axis AX

General Purpose Enclosure

The Advanced General Purpose Enclosure (AX-GCAB) provides an economical surface mount enclosure for mounting any optional Advanced products (i.e. AXI/O-48, AX-CZM, etc).

The AX-GCAB is fabricated from 16 gauge steel with a durable, red or gray textured powder coat finish. It features a lift-a-way hinged door for ease of access and maintenance and is key locked (CAT 30) to match other Advanced products (FACP, pull stations, etc).

Each AX-GCAB enclosure includes a 20 gauge steel back plate which incorporates pre-drilled holes for mounting optional products. Addition holes can be drilled to customize configurations for installation of other equipment.

Features

- Compact, Attractive Appearance
- Easy to Install
